To whom it may concern:

I have worked with Ginger Mayerson since 2009 and in that time she has been great to work with as well as very helpful. She has been very pleasant and organized whenever I needed to learn something new to do my job. She was always willing to use her skills to make my workday a smooth one and has been a great advocate. I appreciate what she has done for me as a co-worker and a friend.

She would be a great addition to any office or team.
