To Whom It May Concern:

I am pleased to have the opportunity to recommend Ms. Ginger Mayerson to you.

I worked with Ms. Mayerson in the 1990's at Art Center College of Design in Pasadena. From that time until the present we have maintained a connection, and I am most pleased to recommend her highly in any and all situations.

She is a person upon whom you can depend in any given situation to be knowledgeable, timely, and committed to the project at hand. I am appreciative of her intellect, her reliability, and her work ethic, and am most happy to recommend her to you.
